Smooth and comfortable craftsman trousers which are extremely soft and moveable with tapered legs. The pants are designed to meet demanding tasks without compromising on comfort and fit. The material is soft 4-way stretch that is strong and stretchy in all directions. The trousers have advanced details and practical pockets with reinforcement. The knee protection pocket is reinforced with CORDURA® Stretch on the outside and a lighter stretch material for increased mobility on the inside. Soft mesh stretches in the hollow of the knee for good ventilation. Lowest parts of the legs are reinforced on the inside which provides effective protection against wear.
