Combination Certification C ->L

Number of washes: x 50

A long-sleeved, functional knit polo shirt for those working outdoors who appreciate a garment that performs when temperatures rise. It effectively protects you from the sun's strong UV rays and has strategically placed mesh panels for optimal moisture management. Segmented transfer reflectors provide excellent stretch and high visibility.

Colors

Main material:

100% polyester, birdseye knit, wicking, UV-protection, 130 g/m²
