Lightly lined winter softshell jacket which, thanks to its material, is extremely soft, comfortable and flexible. The jacket has two colours and offers optimum visibility and safety when it's most needed.

This designed hi-vis jacket boasts both the light, stretchy feel and the durability of a good work garment. The material is waterproof, windproof and has excellent breathability. A flap over the zip enhances windproofness, and the jacket comes with a detachable hood.

Also available in a women's cut 4401.
