## Thermal Long Sleeves w. Crew Neck

xplor

Web link

Thermal long sleeve shirt with crew neck. A warm unisex style base layer with non-itching effect.

Cotton inner layer for softness along with merino wool in the outer layer for natural insulation.

Double cuff with thumb hole. Durable and machine-washable fabric.

A great addition to workwear that keeps employees warm and comfortable on chilly days

Replenishment guarantee until 2026 for all sizes

### QUALITY

45 % cotton, 30 % polyacrylic, 14 % wool, 11 % polyamide.

### FEATURES

Xplor thermal underwear is double knitted, machine washable and pre-shrunk and will retain its shape, stay silky smooth and will not pill.

The layering construction of the fabric and the thermal function of the wool allows your skin to breathe without overheating or becoming sticky.

With cotton on the inside and merino wool and acrylic on the outside even sensitive skin will enjoy the qualities of wool.

Polyacrylic and polyamide keep the garment light and provide high durability.

### SIZES

XS-6XL. Regular fit.

### COLOURS

Black 9000

### PACKAGING

Pack: 1 in polythene bag with display.

### CARE

Machine wash at 40°C; suitable for tumble-drying on low. Suitable for industrial laundering.
