

## 70512 GRISPORT GORE-TEX SHOE M/BOA

With this model from Grisport, you get a waterproof safety shoe with a Gore-Tex® membrane. It features slip-resistant Vibram® outsoles and a PU midsole that maintains shock absorption throughout the entire lifetime of the shoe. The shoe's ActivePRO™ sole system ensures optimal comfort and support. The BOA® Fit System provides an even closure and makes it easy to put the shoes on and take them off.
