PRICE 799.00:-

Flexible and strong service/transport trousers in women's fit who is suitable in different situations that require comfort and mobility. These trousers have an elasticated waist and a slightly narrower fit and are equipped with stretch panels for increased flexibility. The CORDURA®-reinforced knees further increase the durability. Has elongation at the bottom. The trousers have two pockets at the back, bellows pockets at the front and a leg pocket that is well suited for storing documents. Contrasting colours on the leg pocket and seams enhance the overall impression. Black reflective details give the garment increased visibility. Also available in men's model 1456.
