

# **SHOWA 240**

The SHOWA 240 flame-resistant gloves are perfect for TIG and light MIG welding. With Level 2 Arc flash defense, hands are protected from flames, flashes, and sparks, to avoid burns to the hands. A Level 5 EN 420 Dexterity rating ensures control and precision when working on small-scale projects. These gloves are also cut-resistant, irritation-free, and have a rough surface grip for excellent comfort when working for long periods of time.

#### **BENEFITS**

- Flame-resistant
- Extra Grip
- Skin-friendly
- Cut-resistant
- Flexible
- · Increased dexterity
- Seamless knit
- · Burn protection
