

SHOWA S-TEX 376

Durability meets comfort with the 376 cut-resistant gloves. Engineered with steel-reinforced Hagane Coil® technology, the 376 offers high-performance cut protection. A dual nitrile coating provides high abrasion resistance as well as optimal wet and dry grip. The ergonomically designed hand mold reduces hand fatigue and wearer discomfort.

BENEFITS

- Hydrocarbon-resistant
- Flexible
- Form-fitting
- Cut-resistant
- · Increased dexterity
- Breathable
- Seamless knit
- Oil-resistant

MATERIAL

- Polyester
- Seamless knit
- Stainless steel

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.
